La Coopération transnationale et Leader

Le Mans, 3 décembre 2009

Maarten VERGAUWEN

DG for Agriculture and Rural Development, European Commission

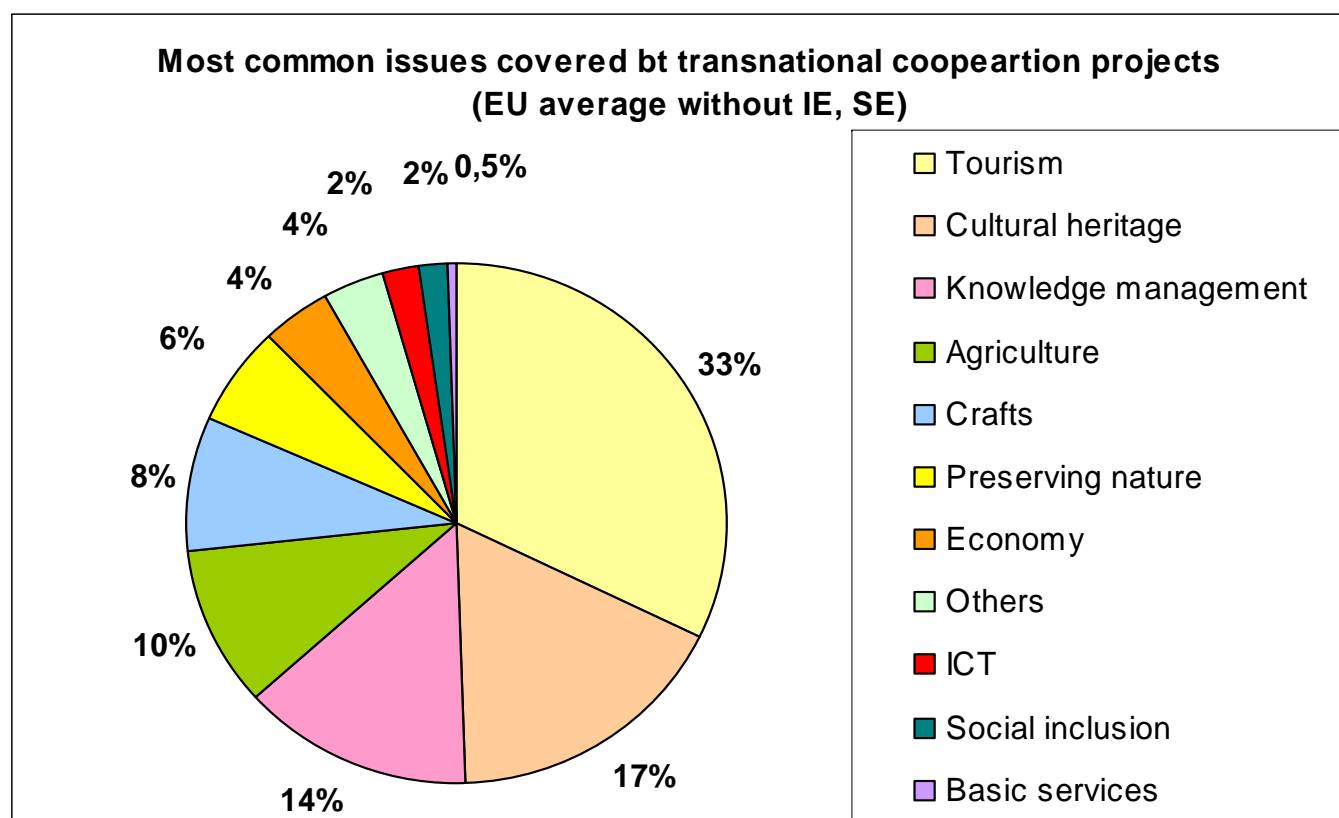

Coopération Transnationale

- Encourager et appuyer les GALs à entreprendre des actions conjointes
- **2 types de coopération:**
 - Coopération interterritoriale : intra état-membre
 - Coopération transnationale : entre pays

The most common issues covered by transnational cooperation projects (Leader + :)

Valeur ajoutée de la coopération transnationale

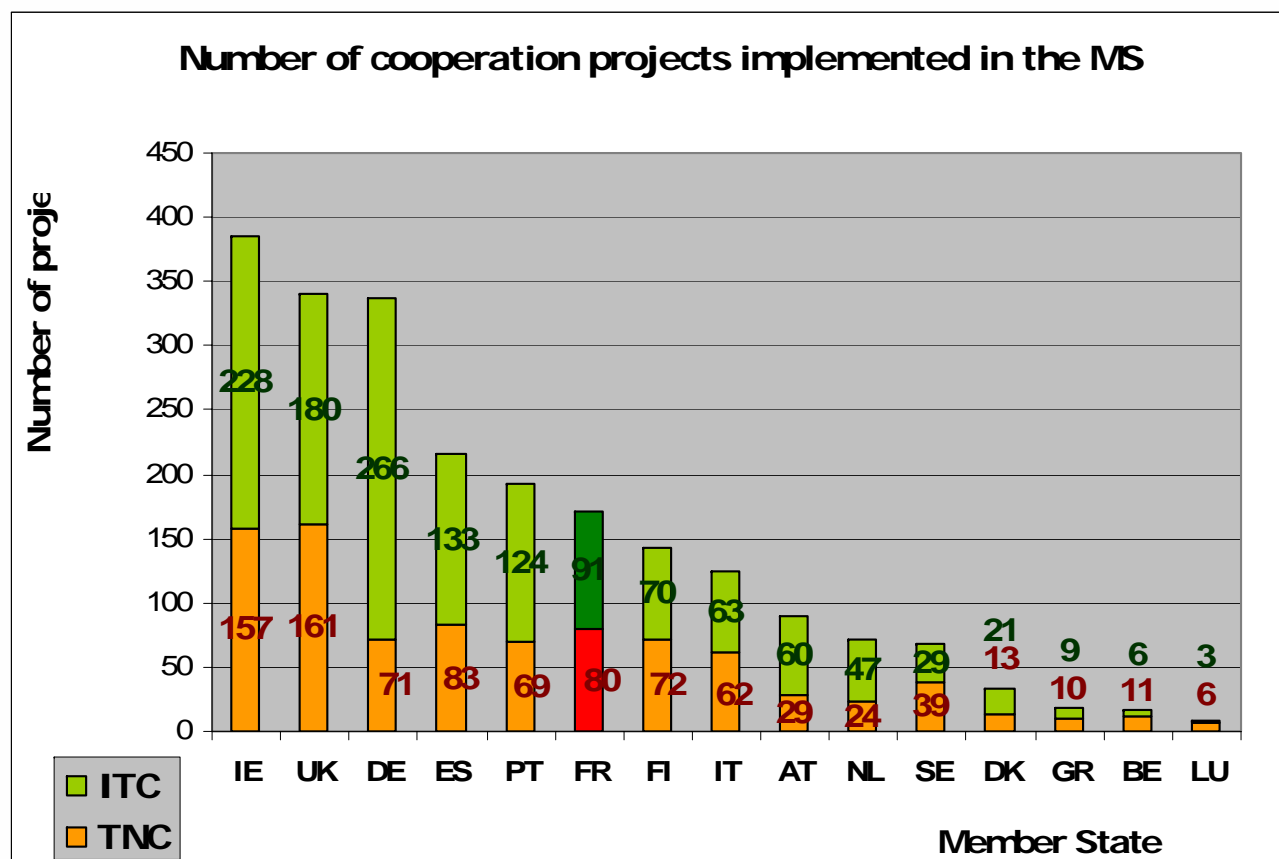

- Renforcement de la stratégie territoriale et du partenariat local
- Projets plus ambitieux par masse critique plus importante
- Compétitivité et positionnement sur de nouveaux marchés
- Promotion d'innovation
- Développer une identité territoriale

- Elargir ses horizons ; source d'enrichissement
- Citoyenneté européenne et sens de l'identité

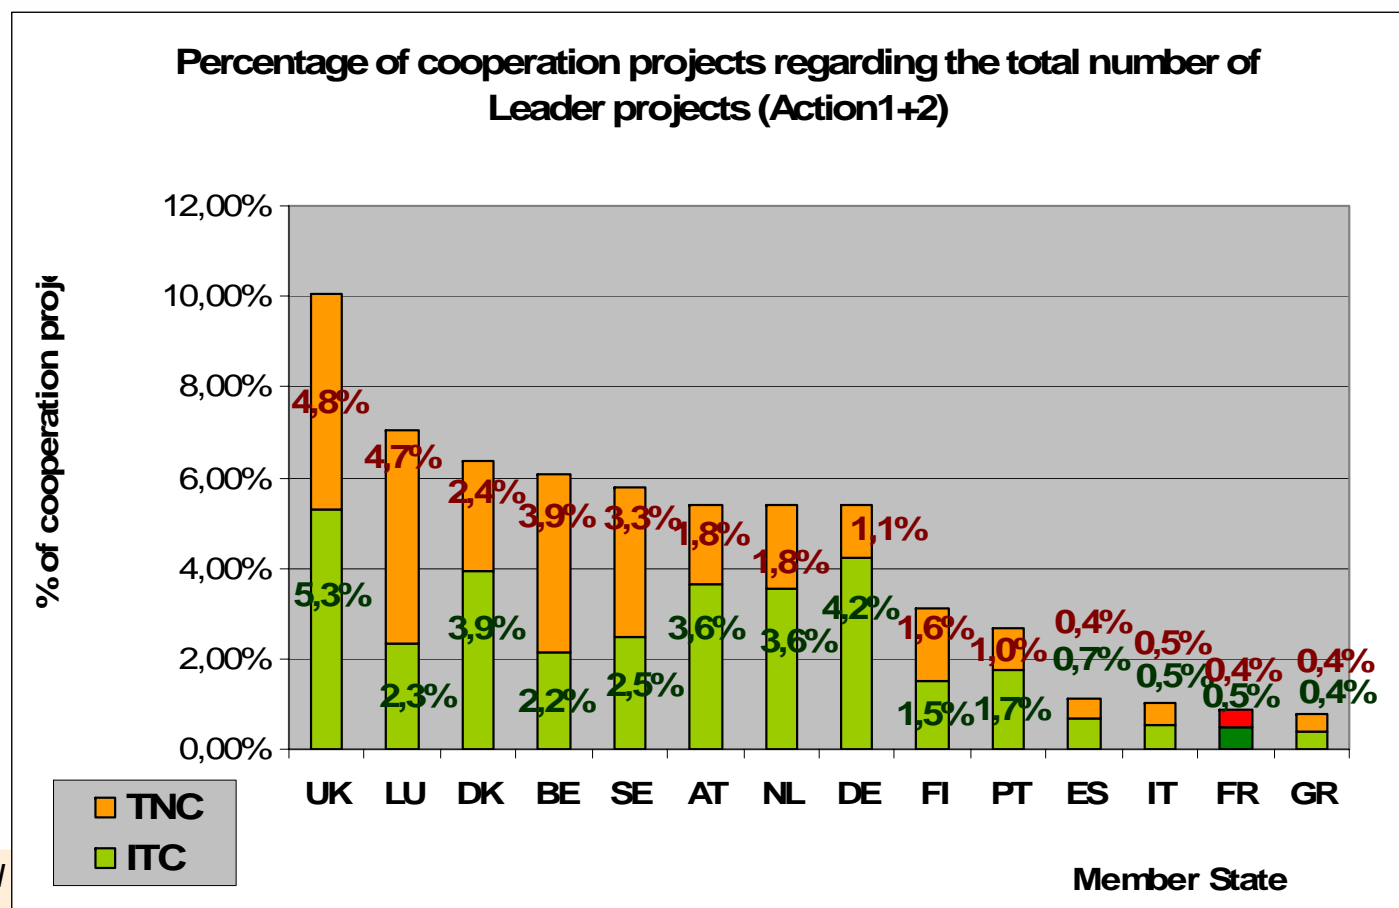

Number of cooperation projects approved during the Leader+ Initiative

(ITC = interterritorial; TNC = transnational)

Percentage of cooperation projects approved during the Leader+ Initiative:

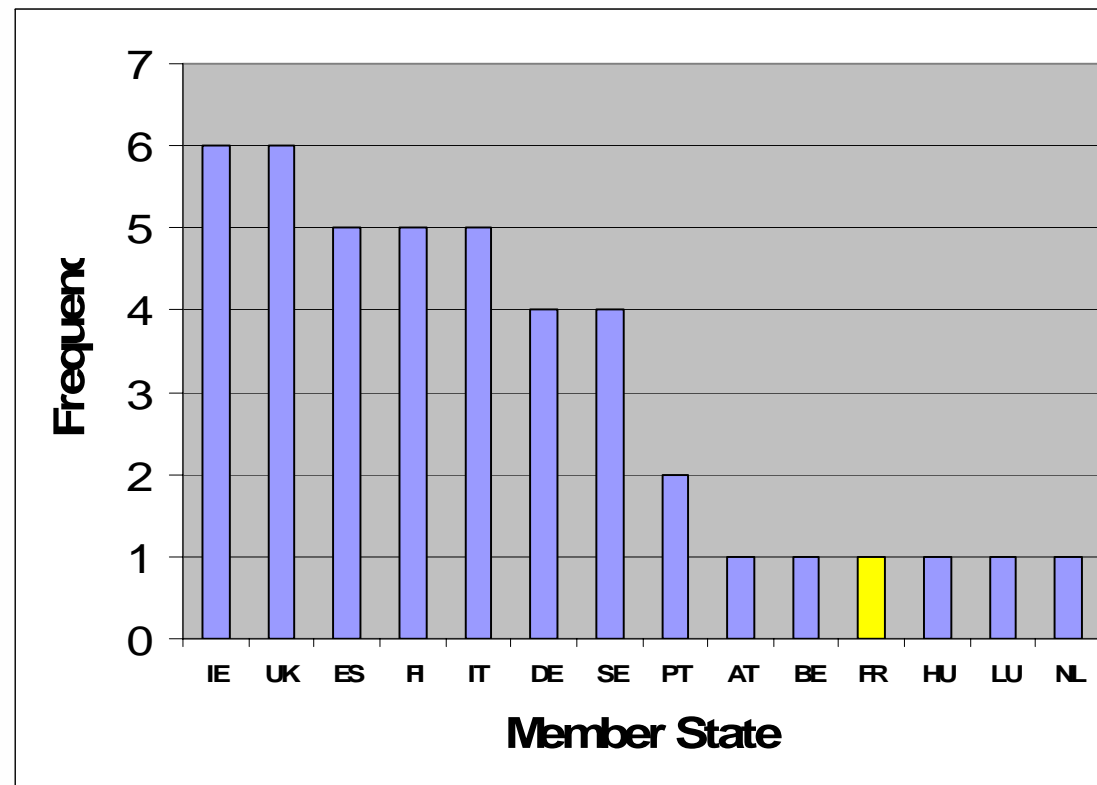

EU average: 2,3 %

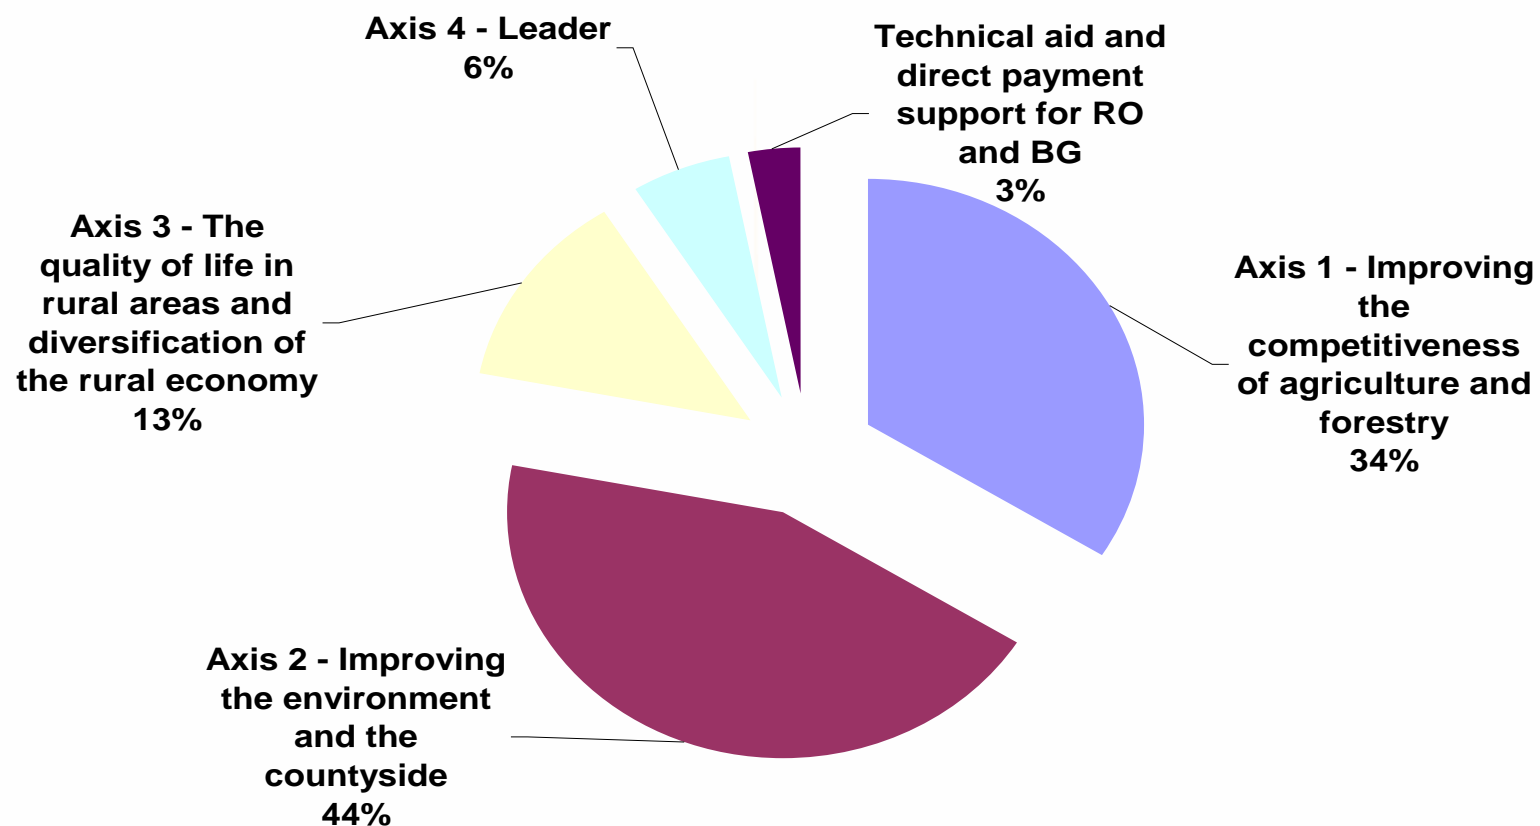

Origin of project partners
